Dear Alumni

1649 W. Orange → The website ^{alumni} brought back old memories of seventy years ago - I lived in downstairs of "chow Hall" which had good supply of peanut butter. Room mates were Frank Reeves PhD, Tommy Evans, LLB Laurens Reeves and in 1949-50 Frank "Sonny" Williamson, BSA Agriculture

I joined Air Force in Sept 1950, with one semester to go for graduation, but came back for the one semester in Sept 1951 under a military program called "Operation Bootstrap" and finished with BSA Agriculture.

Came back to UF when discharged after serving as a 5/sgt in the base JAG office. ^{as with} NCOIC Lt. Louis Detaparte, from Tampa, also UF Law and a JAG officer encouraged me to return to UF Law which I did and ~~grad~~ lived at Fla Vet III and graduated in January 1957 and began law practice in June after passing April bar exam. ~~Became~~ Gov. Bob Graham appointed me a Circuit Judge in 19th circuit. I retired after 15 years (Term Limits) but served 13 more years as Senior Judge - Now approaching 90 I grow crotons and Caladiums for fun - but I still enjoy peanut butter.

Best wishes to CLO
